ECA Conference \$200 Travel Assistance Application

*Are you located in
a rural or remote area?*

If the answer is yes, you may be eligible for a \$200 travel assistance to attend ECA's conference.

The Department of Education, Employment and Workplace Relations (DEEWR) has provided limited funding to subsidise the travel costs of delegates from rural and remote areas of Australia so they can attend the conference.

Travel assistance funds will be allocated on a first-in, first-served basis according to the following criteria:

- There is a limit of one travel assistance per service.
- Priority is given to full registrations.
- Conference registration(s) must be paid for in full before the travel assistance application is assessed.

Although there is no deadline for submission of applications, funding will be paid in the order of receipt of application and funds are limited.

How do you apply?

Complete the details overleaf and send this form back with either:

- a copy of your registration confirmation
- or
- your conference registration and payment if you have not yet registered for the conference.

We will notify you by email of the outcome of your application and if successful the funds will be deposited into your nominated bank account.

Please note that funds will only be paid by direct deposit into the bank account in the name of the successful applicant.

NB. Outer regional, remote and very remote classifications have been provided by DEEWR. A list of all post codes that are eligible to apply for funding is on our website. Please visit www.eaconference.com.au.
