

»» The maximum size for posters is 1.2m (h) x 1.0m (w).

»» The title and authors should be clearly indicated at the top of the poster. Large letters should be used for the title (equivalent to 80-point font or larger).

»» All text on the poster should be legible from a distance of one metre. It is suggested that headings be in a minimum of 30-point font and that the body text be in a minimum of 24-point font.

»» Presenters are encouraged to include visual aids (for example, images, flow charts and graphic representations of data) in their posters.

»» Material arranged in columns is easier to read than material arranged in rows.

»» Posters should be printed on poster paper.
